

Rules of the mailing-list

Global Alliance “Sustainable Peace and Prosperity for All”

[Objective]

This mailing list is established to provide a place for organizations and individuals in the civil society to gather, exchange opinions and information with the aim of advocating the issue of nuclear weapons from the perspective of sustainability, and positioning the abolition of nuclear weapons as a goal in the UN post-SDGs agenda.

[Management]

1. This mailing list is managed by the Hiroshima Organization for Global Peace (HOPE) [Secretariat]. Please contact the secretariat if you wish to join or unsubscribe from this mailing list, request postings, or have any other questions about its operation.

hope@hiroshimaforpeace.com

2. In this mailing list, the secretariat contacts and sends information to the participating members. Members also can post their information.

[How to post to this mailing list]

If you would like to post information to this mailing list, please send your posts to the secretariat. (hope@hiroshimaforpeace.com) Posts can be regarding the members' activities, events, campaign announcements, etc. However, please refrain from posting anything that is inappropriate to the purpose of the group, or that is intended for profit or the sole benefit of the poster.

[Rules for posting]

1. Please do not post the opinions of third parties on your behalf. If you wish to quote a third party's opinion, please do so in accordance with the rules for quoting copyrighted material.
2. In order to ensure mutual trust and to maintain interactivity and transparency on this mailing list, please disclose your name and affiliation when applying for participation in this mailing list and posting any information.
3. Please refrain from posting anything with expressions such as discrimination, sexual harassment, or slander.

4. When exchanging opinions on this mailing list, please respect the diverse values and ideas of the participating members from various countries.
5. Please refrain from submitting newspaper articles, news agency distributions, etc. in their original form without any added value, as this is a violation of the copyright of the original article.
6. If you wish to quote a message posted on this mailing list, please obtain the consent of the poster directly.
7. If the secretariat determines that the above rules have been violated, it may issue a warning to the contributor. In addition, if the content is deemed malicious, the member registration may be cancelled.
